

# Pre-AP Grade 9 English

**Rooted in Faith, Learning in Love, Dedicated to Excellence**

The Pre-AP English program at St. Mary's High School is designed for motivated students who have a passion for studying English. While students can join this stream of study at any point in their high school career, early participation allows students to meet other like minded students who share a love reading, writing, poetry, drama and other forms of literature. Students who are reflective, sponges for learning, and confident in their reading, writing and oral communication will find the curriculum, and the relationships formed with peers, inspiring and rewarding.

Many students who complete the four year AP English program choose to write the international AP Literature and Composition exam in their grade 12 year. Interested grade 8 students should select ENG1DP in career cruising. A student self-assessment form on the St. Mary's website can help parents, teachers and students determine if this is the right pathway of study.
