CHALLENGE SERIES

October
4th - 8th

Skills Ontario would like to show the world what you can do! We are challenging girls to try activities relating to the five skilled trades and technology sectors: Motive Power, Industrial, Service, Construction and Technology. Scopes will be posted on Monday, September 13. Submissions are to be posted on Twitter between October 4th – 8th. Tag @skillsontario and use the hashtag #SkillsIDG2021. If you do not have Twitter, or are uncomfortable posting, please email your submission to ywi@skillsontario.com. No registration is required.

VIRTUAL WORKSHOP

Skills Ontario is excited to be offering an Animation Workshop for the family! Participants will have the opportunity to learn and work through foundational skills using Google Slides (or PowerPoint) to create a short video. Come and create a short animation using skills that can be applied to all future projects! **Details subject to change please keep checking the website for updates. Parents/guardians are required to register.** Target Audience: Grades 6 -8. *Please note, younger students are welcome, but may require a parent/guardian or older sibling to assist with some of the steps throughout the workshop.

October 11th

"FOR GIRLS, BY GIRLS" CONFERENCE

October 8th
10:00 am & 6:30pm

This is a virtual conference where viewers can hear from a panel of girls aged 5-11 and learn about the skilled trades and technologies. There will also be encouraging messages from highly respected and influential leaders and tradespeople including an inspirational keynote from *Kyara Cabrera Fong, Apprentice Autobody Technician*. **Teachers, Parents/guardians are required to register.** French closed captioning will be displayed. Visit skillsontario.com/young-womens-initiatives.

By engaging young girls and female professionals, we'll be addressing questions such as:

What do you like about your job?

Are you outside all day at work?

Do you wish there were more girls at your job?

Thank you to
our partners!
