Dear Parent/Guardian,

The Ministry of Education has recently announced a grant for schools to provide FREE (before/after) school tutoring for students. This is welcomed news and may provide some additional support for students who have had their learning interrupted as a result of the pandemic.

Students are welcome to attend these “drop in” tutoring sessions that will be offered Monday through Thursday every week. The sessions will last one hour in duration and will be offered 4 times per week. Various teachers will be available to support students working on assignments, homework and/or test preparation in their courses. We are hopeful that this will be a great opportunity for your student to improve their level of achievement in their courses, complete outstanding work or receive extra help with challenging concepts. The sessions will begin on Tuesday, April 19<sup>th</sup>, 2022 and run until June 20<sup>th</sup>, 2022.

If this is an opportunity that you think would benefit your student, please have your student drop in at any time. Please check out all details on the banner on the St. Mary's Website:
