Attend Open Houses with your parents: www.ontariouniversitiesinfo.ca/universities/events

Sign up for presentations at school: www.signupgenius.com/go/20f0d48adad28abfb6-fall

Register for virtual Universities Fairs information sessions: www.ontariouniversitiesfair.ca/virtual/

Attend In-Person Kitchener Universities Fair by registering at:

www.ontariouniversitiesfair.ca/regional/kitchener/

- October 25th - 5:00-9:00 p.m. - Bingemans Ballroom

Contact universities directly for more information: www.ouac.on.ca/university-links/

Applying to university

Create a student account through the Ontario University Application Centre: www.ouac.on.ca

- You are a 101 application. You require your PIN to start
- Be sure to keep a copy of your access codes (OUAC Reference Number and PIN)
- Your selected programs are not considered “submitted” until you have paid the fee with a credit card
- Universities will contact you in February with follow up requests. Check your OUAC account regularly for communications
- Typically, you will be asked to complete an Additional Information Form (AIF). Set aside time to do this with effort as it lets universities know much more about you than your marks.

For assistance in creating and completing your application, consult with the guide and videos:

www.ouac.on.ca/guide/101-guide/

www.ouac.on.ca/101-tutorials/

COST: \$150 Application that includes 3 universities and/or programs (\$50 Each additional program).

Deadline: January 12th 2023 - The OUAC deadline equal consideration.

NOTE: Applicants are encouraged to apply long before this date, as website volumes are highest in January. Some programs require portfolios, interviews or assessments which need to be scheduled.

If no offers by early June, check for “Open Programs” to see what options are still available for application: www.ouac.on.ca/faq/refused-admission-to-all-choices/
