

St. Mary's High School

Semester 1 Final Report Card & 2024-2025 Educational Planning

February 2024

Dear Parents, Guardians and Students,

The process of reporting student achievement is a key component of the overall assessment and evaluation process. The final report and credit summary provide this information along with the next steps for educational planning and pathways towards graduation/post-secondary education.

Parents can also check out the ***Parents*** tab on our school website: <https://stmary.wcdsb.ca/>, for further information about Assessment and Evaluation Information: see Categories of Knowledge & Skills.

Students returning next school year have heard of course offerings and the selection process during Course Selection Presentations already ongoing in December and January. All students must select courses through My Blueprint online at www.myblueprint.ca/waterloocatholic. Graduating students or students leaving for another school, need to indicate “*not returning*” on My Blueprint.

Courses must be submitted by **February 28th, 2024**. If students are uncertain about their selection, they can attend a **lunchtime help session from Tuesday, February 20th to Friday, February 23rd** during lunch – Room 209 for period 3 lunch, Room 117 during period 4 lunch.

Guidance Counsellor Alpha by Last Name During 2023-2024

Mark Cameron	Ex. 5638	A-B, AL/CL
Joe Taranto	Ex. 5635	Br-F
