WHAT IS SPECIALIST HIGH SKILLS MAJOR?

Specialist High Skills Major (SHSM) is a Ministry approved program that encourages students to focus their education on a specific employment sector. During grade 11 and grade 12, students who have signed up for SHSM will be involved in several activities that will help lead them to earning a Red Seal on their diploma.

ST. MARY’S OFFERS THE FOLLOWING MAJORS:

Arts & Culture	Business	Construction
Energy	Health & Wellness	Hospitality & Tourism
Information & Communications Technology	Justice & Community Safety	
Manufacturing, Engineering & Robotics	Sports	Transportation
Non Profit, Education & Childcare		

Students involved in the program will need to follow through on [SHSM Expectations](#) before they graduate. It's as easy as 1, 2, 3...:

1. Take the COURSES needed to complete their Major
2. Sign up for a 2 credit CO-OP
3. Plan and attend Industry-recognized CERTIFICATIONS related to their Major.

WHY GET INVOLVED?

No matter whether you plan to go to work, apprenticeship, or college/university you can earn a SHSM. Students who successfully complete all components of the program earn a Specialist High Skills Major (Red Seal) designation on their Diploma. This symbol lets employers and post secondary education know that you have knowledge, skills, and industry-recognized qualifications related to a particular career field.

For more information about **Specialist High Skills Major**, visit the [SHSM website](#) or see your Guidance Counselor or the SHSM school lead - Mrs Byrne.
